RE: **BEGINNING OF THE FINAL TERM 2020/2021 CIRCULAR FOR S.3 AND S.5**

We sincerely thank you so much for taking good care of our daughters during this long recess period which started in March, 2020. May the Almighty Allah reward you all in bounties just as our motto says; - You **Reap What You Sow**.

We call upon your attention to the following as we prepare to report for the term which begins on 1st March, 2021 and ends on 21st May 2021:

1. The students shall report on **28/02/2021** from **8:00 am up to 4:00 pm**. Please abide to avoid inconveniences.
2. A student shall only be allowed 2 escorts at most and they should be willing to observe the set Covid SOPs.

3. School Fees

Every student should report with a fully paid-up bank slip of **shs. 1.500.000/=**. **This includes a special facilitation fee for the Ramadhan period**. Please use the usual **School Pay System** or pay directly to the school **Account No. 9030005843374 or 9030005843382** in Stanbic bank.

4. Special Academic Programme

Due to the amount of academic work that has to be done within this short time, we have designed a special academic programme to address the gaps created by the Covid-19 lockdown. Every student shall pay an additional **200,000/=** only to facilitate this programme. It is payable to the school bursar on the reporting day.

5. Medical Check-Ups

No student shall be allowed into school without a medical check-up form from **KIBULI MUSLIM HOSPITAL**.

6. Face Shields/Masks

Every student should have a face shield and 3 reusable NGS face masks.

Please note:

- NGS branded reusable face masks shall be bought at school at 12,000/= (***Twelve thousand shillings only***) for a set of 3 masks.
- Face shields shall also be available at school sold at 13,000/= each.

7. Prayer Mat

Every Muslim should bring a small personal prayer mat for use in the mosque as a precautionary measure against Covid-19.

8. Other Personal Requirements:

Please note that there shall not be any sharing of items allowed, be it in class or in the dormitory. Likewise, school utensils shall not be used in the dining hall, hence every student shall be required to present the following personal items for checking on the reporting day in addition to the usual requirements:

- ✓ Reusable face masks (3)
